

We are one!

THAT'S A PERFECT WAY
TO DESCRIBE GULLIVER
PREP STUDENTS.

After a fun summer of traveling the world and being separate from one another, students come back to school to be reunited as one. With tons of new fun events students prepare themselves to give their all! As a school that challenges students to do their best and push themselves past their limits, it's important for students to work together with their classmates, teachers, and staff.

Here, we are one. We cheer on one another at the sixth grade football game against Marathon. We go to the homecoming pep rallies clad in our grades colors to build ourselves up. We celebrate days like Dot Day together by painting our faces.

Things can get difficult between tests, quizzes, and games. Sometimes we can get stressed out. That's why it's so important that we come together as one to help each other out. Comfort each other when we lose or struggle.

That's what we are- we are one.
